

# Weed Control

## Vashon-Maury Island Purchasing Guide

### Low Environmental Concern Weed Control

<b>Allow</b> a few weeds in your lawn	<b>Black Plastic</b> - double layer laid over gravel driveways for a couple of weeks in spring/summer	<b>Boiling Water</b> poured on weeds in sidewalk cracks. Best if a hot sunny day.	<b>Concern®</b> Weed Prevention Plus® (Corn Gluten Meal)
<b>Flame Weeders</b> for patios, paths, and emerging weeds prior to planting your veggies	<b>Grow a Multi-Layered Garden</b> which will shade out some weeds	<b>Hand weeding tools</b> Have salesperson show you their latest and most effective. Long-handled, hori-hori, etc.	<b>Hire Teenagers</b> to hand weed.
<b>Mow often.</b> Even a lawn full of weeds looks good when it is mowed.	<b>Mulch:</b> Bark, wood chips, other mulch	<b>Preen®</b> Organic Vegetable Garden Weed Preventer (corn gluten)	<b>Vinegar</b> Spray on seedlings and new growth
<b>Water deeply but infrequently,</b> if your soil is at least 4 inches deep	<b>Whitney Farms</b> Weed and Grass Killer (Soybean Oil)
