AGENTS OF REGENERATION

COW CREEK INDIAN'S SEVEN FEATHERS CONVENTION CENTER CANYONVILLE, OREGON

Theme: Beaver – Agents of Regeneration

The focus of the 2017 conference will be on beaver, its role in both natural regeneration/ecological succession and designed regeneration/restoration ecology.

The State of the Beaver Conference:

This 5th biennial conference provides an international venue for academia, agency and stakeholders to gather and disseminate information to beaver ecology.

The Beaver Advocacy Committee is currently soliciting presenters and sponsors for the 2017 conference. Please contact Leonard Houston beavers@surcp.org, Stanley Pietrowski stanley@surcp.org
