

# INTRODUCTION TO PERMACULTURE

with acclaimed permaculturalist Rob Avis

You've imagined:

- cutting your energy use and investing in solar or wind*
- what it would be like to keep backyard chickens*
- how you can harvest water or stop erosion*
- setting up a small-scale farm*
- living in an off-the-grid strawbale house*

This course is for you!

**Toronto**  
August 20th

**Guelph**  
August 21st

**Cost: \$75**
